BARATTO BROTHERS

OSSAWINNAMAKEE LAKE, BREEZY POINT MN

Built in 2013, this custom home spotlights a large great room with full lake views, open kitchen featuring a hammered copper hood, custom bunk room, stone-walled hot tub room with built in shower and indoor cedar sauna, wine cellar with customized racking and a spectacular master bedroom. Home finishes include red & white oak distressed flooring, slate entryways, and surround sound throughout. The fully landscaped yard displays several paver patios for outdoor entertaining with multiple fire pits, professional putting green, and motion activated yard lighting with an additional outdoor sound system.

Baratto Brothers Construction was fortunate enough to collaborate with the owners who reside in Las Vegas, NV, on the design, build, and management on this award winning showcase home.
